

Since 1982, Xecunet has manufactured an extensive line of high quality cables and harnesses for a wide variety of markets.

We offer rapid-turnaround build-to-print cables, standard cables, wire harnesses or any custom cable you may require. In addition, we offer contract manufacturing. Our number one goal is to find a solution for your cabling needs.

We thoroughly test every cable assembly from our manufacturing line to ensure that it meets your specs for form, fit, and function. We are so confident of the quality of our cable assemblies that we guarantee them for life against manufacturing defects.
